FAQs

What do I need?

All you need is a high-speed Internet connection (cable or fiber optic) and a regular phone.

Can I transfer my phone number?²

In most areas you can port your existing phone number to Ooma. Best of all, porting is free! You must maintain the current phone service until the porting process is completed, usually 1-2 weeks.

Do you support 911 calls?³

Yes. Ooma collects your address when you activate online and uses this information for emergency response.

Room to grow as your business expands.

Whether you have 2, 20, or 200 employees, the system easily scales.

Ooma Linx

Use the Ooma Linx to wirelessly connect additional telephone lines to your Ooma Office Base Station via DECT 6.0 technology.

Ooma Office Mobile App

Make and receive calls as if you were in the office with the free Ooma Office Mobile App.

¹Service offerings and pricing described are as of March 21, 2018. Pricing and features are subject to change. ²Transfer of your existing phone number not available in all locations. The number transfer process takes approximately 10 business days from the time you confirm your transfer request. If you would like to transfer your existing phone number to Ooma, do not disconnect your phone service until the number transfer has been confirmed. ³Ooma E911 service operates differently from non-Internet 911 service. See <http://www.ooma.com/911> for details. Some alarms, faxes and other devices may not be compatible. Additional terms apply, see <http://www.ooma.com/smb/termsandconditions>.
